# ***WELCOME***

The Kootenay Lake School District would like to take this time to welcome you as part of the Homestay Program. The Homestay Program is a very important component of our International Student Program.

**\*\*The intent of our homestay program is to find the ideal match for our students and homestay families\*\***

Our District Mission Statement:

**“We focus on excellence for all learners in a nurturing environment”.**

The Kootenay Lake School District has put together a Homestay Family Handbook to help guide you through the many trials and tribulations that will arise during your time as a homestay family. Please feel free to e-mail or call our office if you have any concerns.

**\*\*Thank you for opening your hearts and homes to our students\*\***
