****NOTE**

- There will be fees for participating in team sports (eg: soccer, field hockey, volleyball, basketball, etc.) which are determined by the coach/teacher at the start of each activity. Fees are not a set amount, but are determined by the amount of participation and travel each team does. There are basic team fees, which often include travel to other towns. If the team goes to a Provincial team activity, there will be extra fees to cover costs for the trip.
- There may also be jersey deposits for teams, which will be returned to students when the jerseys are returned in good condition at the end of the season.
